2008 J.D. Power and Associates Award for “Highest Customer Satisfaction with the Auto Insurance Purchase Experience”\*

Erie  
Insurance®

*“Hurray for all. ERIE Policyholders and Agents were not too surprised by our recent award. It just nicely confirms what they’ve always known.”*

ERIE is the recipient of the 2008 J.D. Power and Associates Award for "Highest Customer Satisfaction with the Auto Insurance Purchase Experience."

It's truly an honor. (But to tell you the truth it's not the first time we've been singled out for great service by J.D. Power and Associates.)

If you ask around, we've been doing a lot of good things for a long time, not only for auto, but home, life and business as well.

It's why many people recommend us to their family and friends and business associates.

ERIE is not like other insurance companies. They say we are like a big insurance company that doesn't act like one. Our Agents like the sound of that and appreciate that their hard work is talked about. Sounds like the perfect time to talk to us. Give us a call, your ERIE Agent is waiting for you.

\* Erie Insurance received the highest numerical score among auto insurance providers in the proprietary J.D. Power and Associates 2008 Insurance New Buyer Study<sup>SM</sup>. Study based on 8,452 total responses, measuring 19 providers and measuring the opinions of consumers purchasing a new auto insurance policy. Proprietary study results are based on experiences and perceptions of members surveyed in April 2008. Your experiences may vary. [jdpower.com](http://jdpower.com)
