# Here's Why

People have said when it comes to service, there is nobody better than ERIE. They say we are like a big insurance company that doesn't act like one. Our Agents like the sound of that and appreciate that people are talking about their hard work..

We're always working to create new coverages that might make your life just a little easier. With ERIE, you CAN have it all:

- **A local Agent to help you make sense of the confusing world of insurance**
- **Protection that goes above and beyond standard coverage (there are enough surprises in life—you don't need them in your insurance policy!)**
- **Award-winning claims service (even includes a cash card for emergencies)**
- **Affordable coverage that will leave money in your wallet**

## DID YOU KNOW?

Most people don't even know we've been around since your great grandmother's time. And through all of those years, people have said we've done a good, thorough job. Honestly, we just try to treat people the same way we'd like to be treated. And because of that, they recommend us to their family and friends for:

- **Auto**—Coverage that's loaded with extra features and discounts for qualifying drivers.
- **Home**—Whether it's your first apartment, your first home or a condo on the links, ERIE has a policy that's just right for you.
- **Boat**—All the protection you need whether you're on the water enjoying your boat or your boat is safely waiting for you at the dock or in the backyard.
- **Personal Catastrophe Liability**—Whenever and wherever the unexpected happens, ERIE's Mastercover<sup>SM</sup> umbrella policy is there to provide extra liability protection to set things straight.
- **Life**—Your ERIE Agent will help keep life simple. A full line of life and annuity products can provide financial protection for the ones you love and ensure a financially secure retirement.\*
