

For All Your Insurance Needs

Erie Insurance offers a broad range of services to meet your personal insurance needs, including auto, boat and a variety of home and tenant insurance policies. ERIE also offers a variety of business insurance products to meet the needs of both small and large businesses. Erie Family Life Insurance offers a complete line of products to meet individual and business life insurance needs.**

This brochure is not an insurance policy. The policy contains the specific details of the coverages, conditions, and exclusions. All coverages are not available in all states. Your ERIE Agent can offer you professional advice and answer any questions you may have before you buy.

Equal Professional Service

ERIE embraces the principle of "equal professional service," which means that every applicant, Policyholder and claimant receives the high caliber service that is our hallmark. ERIE does not tolerate unlawful discrimination, and we expect our Agents to adhere strictly to that nondiscriminatory philosophy as well. ERIE[®] assesses each risk on its own merits and relies on objective underwriting criteria designed to evaluate the nature and extent of each risk.

**Erie Insurance received the highest numerical score among auto insurance providers in the proprietary J.D. Power and Associates 2008 Insurance New Buyer Study.SM Study based on 8,452 total responses, measuring 19 providers and measuring the opinions of consumers purchasing a new auto insurance policy. Proprietary study results are based on experiences and perceptions of members surveyed in April 2008. Your experiences may vary. jdpower.com*

“I was cooking macaroni for the kids, when the upstairs bathroom came downstairs into the kitchen...”

We fondly call that particular claim, “The Case of the Flying Macaroni” and the Policyholder who it happened to become one of our biggest fans. Earlier that year, she had purchased ERIE’s HomeProtector insurance from her Erie Insurance Agent. She liked that our particular policy gave her all kinds of reassurance. Here’s a sampling:

- **Competitive pricing with discounts, like Advance Quote, Age of Insured, New Home, as well as Multi-Policy**
- **Guaranteed replacement cost on your home and attached structures (After all, what are you going to do with half a door?)**
- **Coverage up to \$3,000 for theft of jewelry, watches, furs and precious and semi-precious stones**
- **Superior claims service that ensures you will be contacted promptly after reporting a loss (Really, why should you have to wait?)**

If you ask around, we’ve been doing a lot of good things for a long time, not only for auto insurance, but for home, business and life as well. Honestly, we just try to treat people the same way we’d like to be treated. And because of that, they recommend us to their family and friends and business associates.

People have said ERIE is not like other insurance companies. They say we are like a big insurance company that doesn’t act like one. Our Agents like the sound of that and appreciate that their hard work is talked about.

Of course, ERIE Policyholders and ERIE Agents alike were not too surprised by our recent award. It just nicely confirms what they’ve always known.

Above All In Service means winning awards is not our motivation. You are. That’s why our founder, H.O. Hirt, raised the letters ERIE out of the word service to remind us what we are reaching for every day.
