This brochure is not an insurance policy. The policy contains the specific details of the coverages, conditions, and exclusions. All coverages are not available in all states. Your ERIE Agent can offer you professional advice and answer any questions you may have before you buy.

Equal Professional Service

ERIE embraces the principle of "equal professional service," which means that every applicant, Policyholder and claimant receives the high caliber service that is our hallmark. ERIE does not tolerate unlawful discrimination, and we expect our Agents to adhere strictly to that nondiscriminatory philosophy as well. ERIE[®] assesses each risk on its own merits and relies on objective underwriting criteria designed to evaluate the nature and extent of each risk.

**Erie Insurance received the highest numerical score among auto insurance providers in the proprietary J.D. Power and Associates 2008 Insurance New Buyer Study.SM Study based on 8,452 total responses, measuring 19 providers and measuring the opinions of consumers purchasing a new auto insurance policy. “I told my son and his friends not to run around the pool with flippers on their feet. I turned my back. And sure enough, what was bound to happen, happened...”

Isn't it amazing how you try to be a responsible parent, but sometimes nothing you do or say has any effect? For times like these, it's nice to have a little backup.

At ERIE, we wanted to call this “I Never Thought It Would Happen To Me” coverage, but you get the idea; it's all about being safe and not sorry later.

ERIE's personal catastrophe liability policy, MastercoverSM, comes with these very handy features:

- **Protection for the actions of covered family members over and above your auto and homeowner's policies**
- **Extra protection if a covered driver causes an accident and is liable for injury to others or property damage**
- **Extra protection if someone is hurt on your property**
- **Covers family members, worldwide, for actions that may cause injury to others or property damage (Isn't it nice to know we'll follow you anywhere?)**

If you ask around, we've been doing a lot of good things for a long time, not only for auto insurance, but for home, business and life as well. Honestly, we just try to treat people the same way we'd like to be treated. And because of that, they recommend us to their family and friends and business associates.

People have said ERIE is not like other insurance companies. They say we are like a big insurance company that doesn't act like one. Our Agents like the sound of that and appreciate that their hard work is talked about.

Of course, ERIE Policyholders and ERIE Agents alike were not too surprised by our recent award. It just nicely confirms what they've always known.

Above All In Service means winning awards is not our motivation. You are. That's why our founder, H.O. Hirt, raised the letters ERIE out of the word service to remind us what we are reaching for every day.
