## Praise for Progressive Claims Service

"After we bought Progressive RV insurance, we were involved in an accident that caused our RV to catch fire, totaling the vehicle. I didn't even realize that we had Total Loss Replacement coverage until I was told. Our claims rep helped us every step of the way, and we had our new RV within two weeks."

"I utilized the roadside assistance when my RV had a flat tire. Service was excellent, including both your customer service and the mechanic who came to change the wheel."
